Once inside ThinkPortal, select 'ThinkCopy' from the menu.

Click 'Create ThinkCopy account'

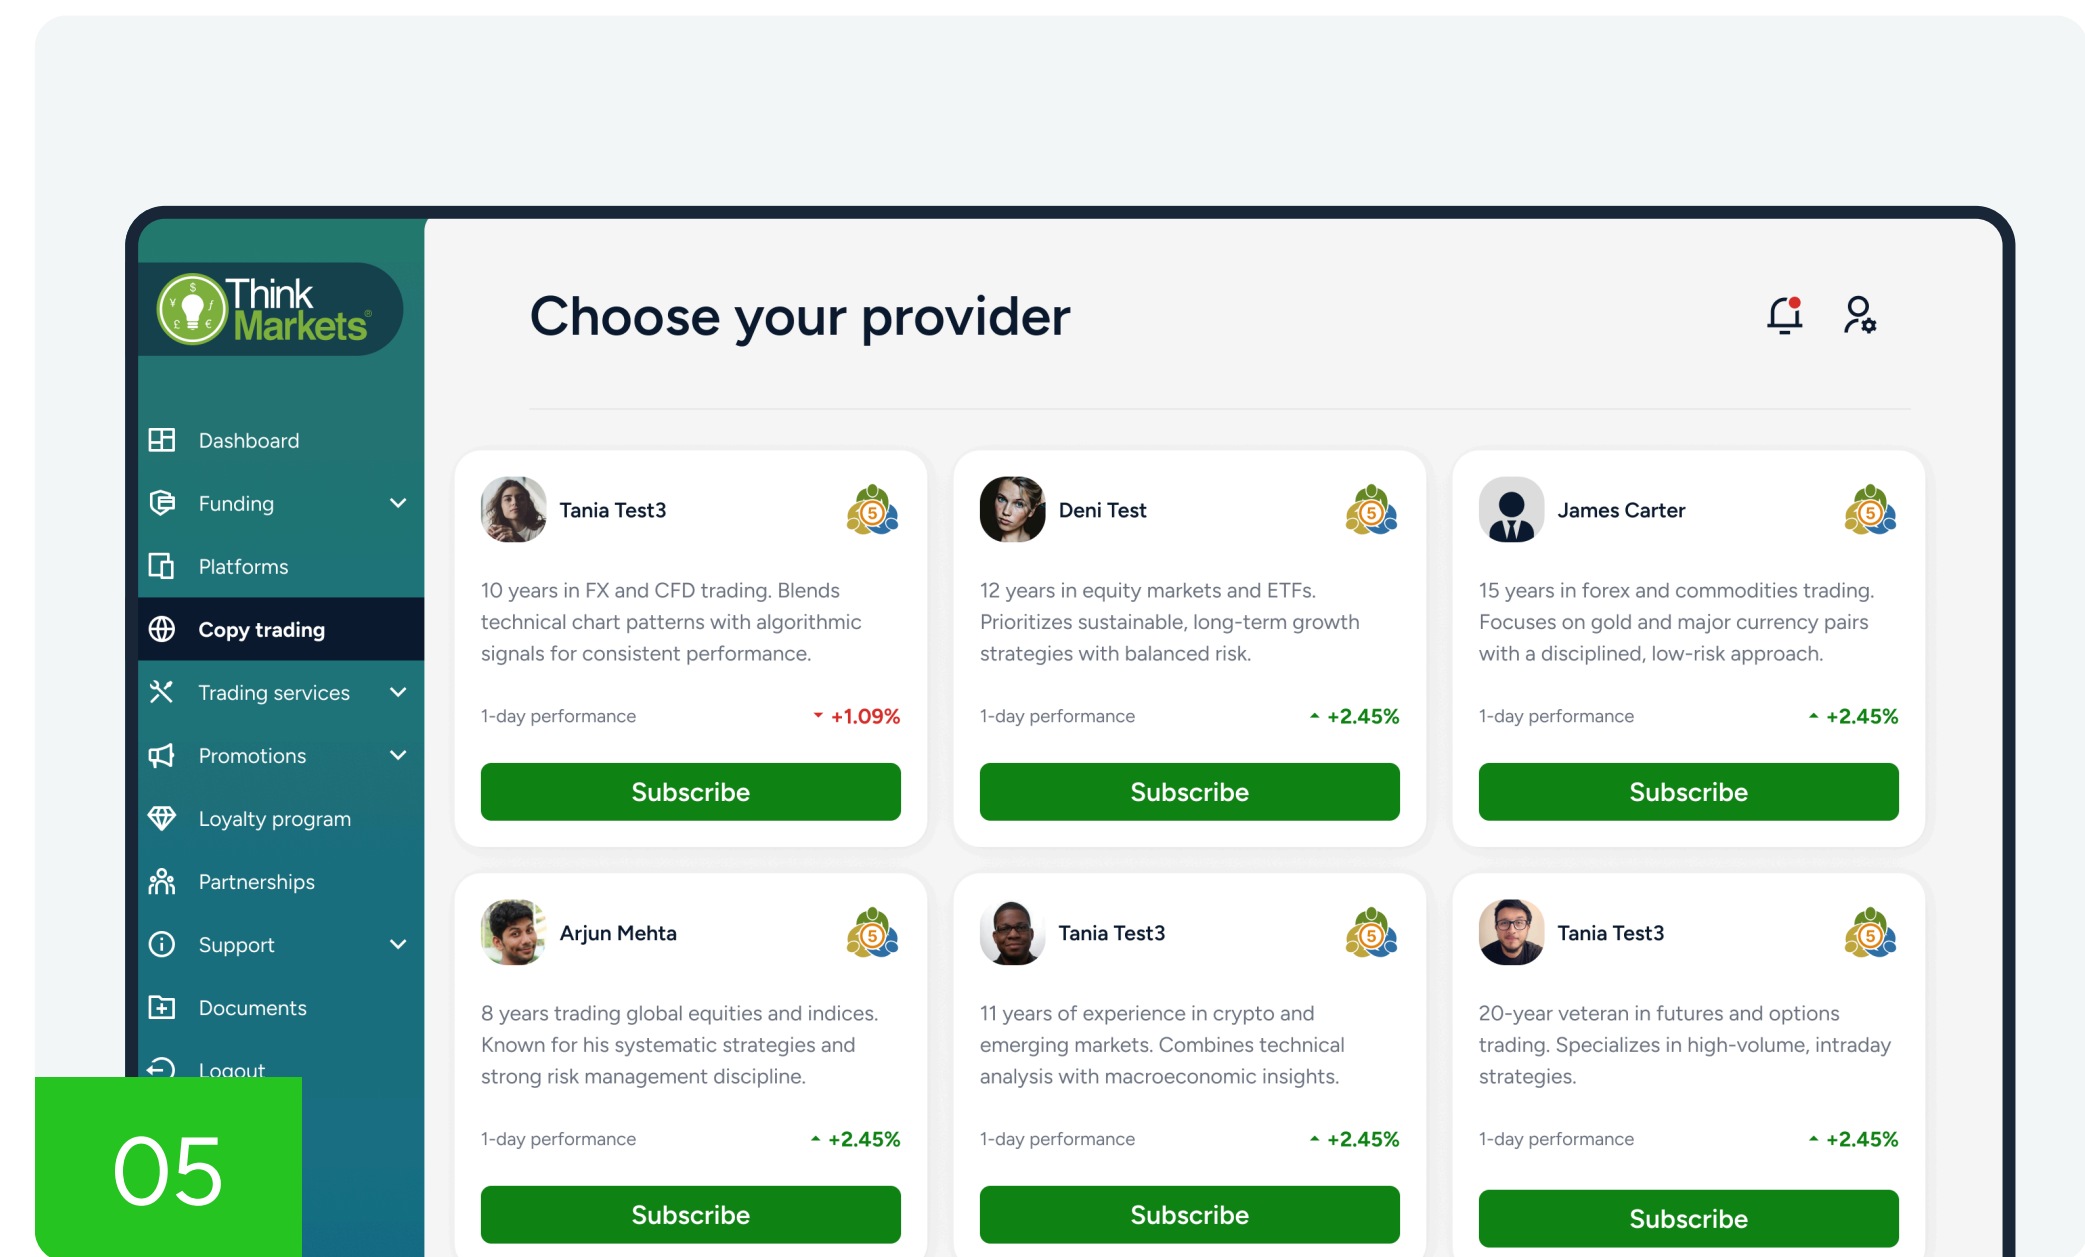

Fill in the required details.

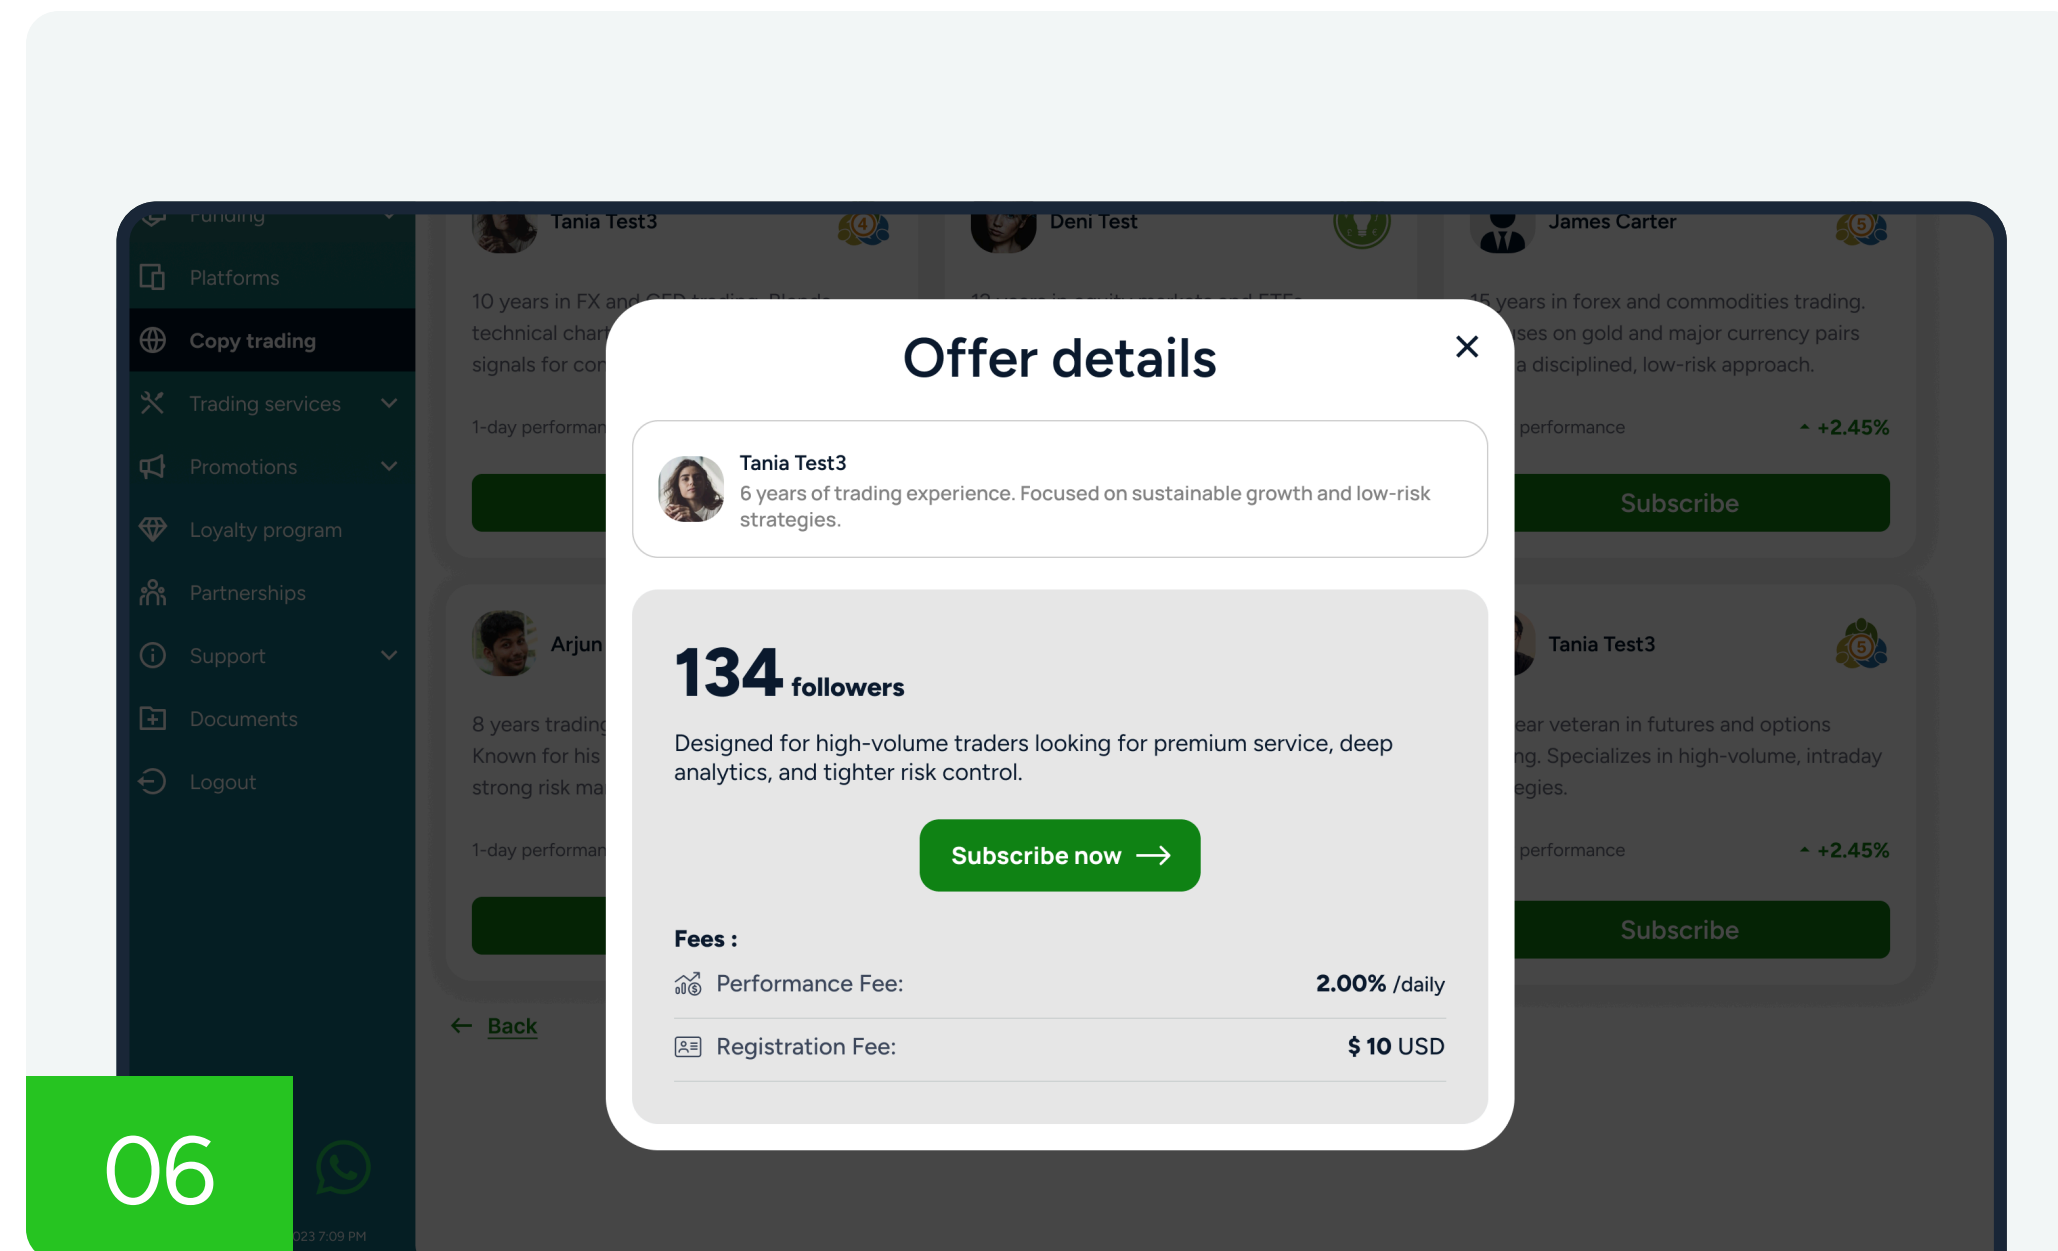

04

After creating your ThinkCopy account, click "Become a copier"

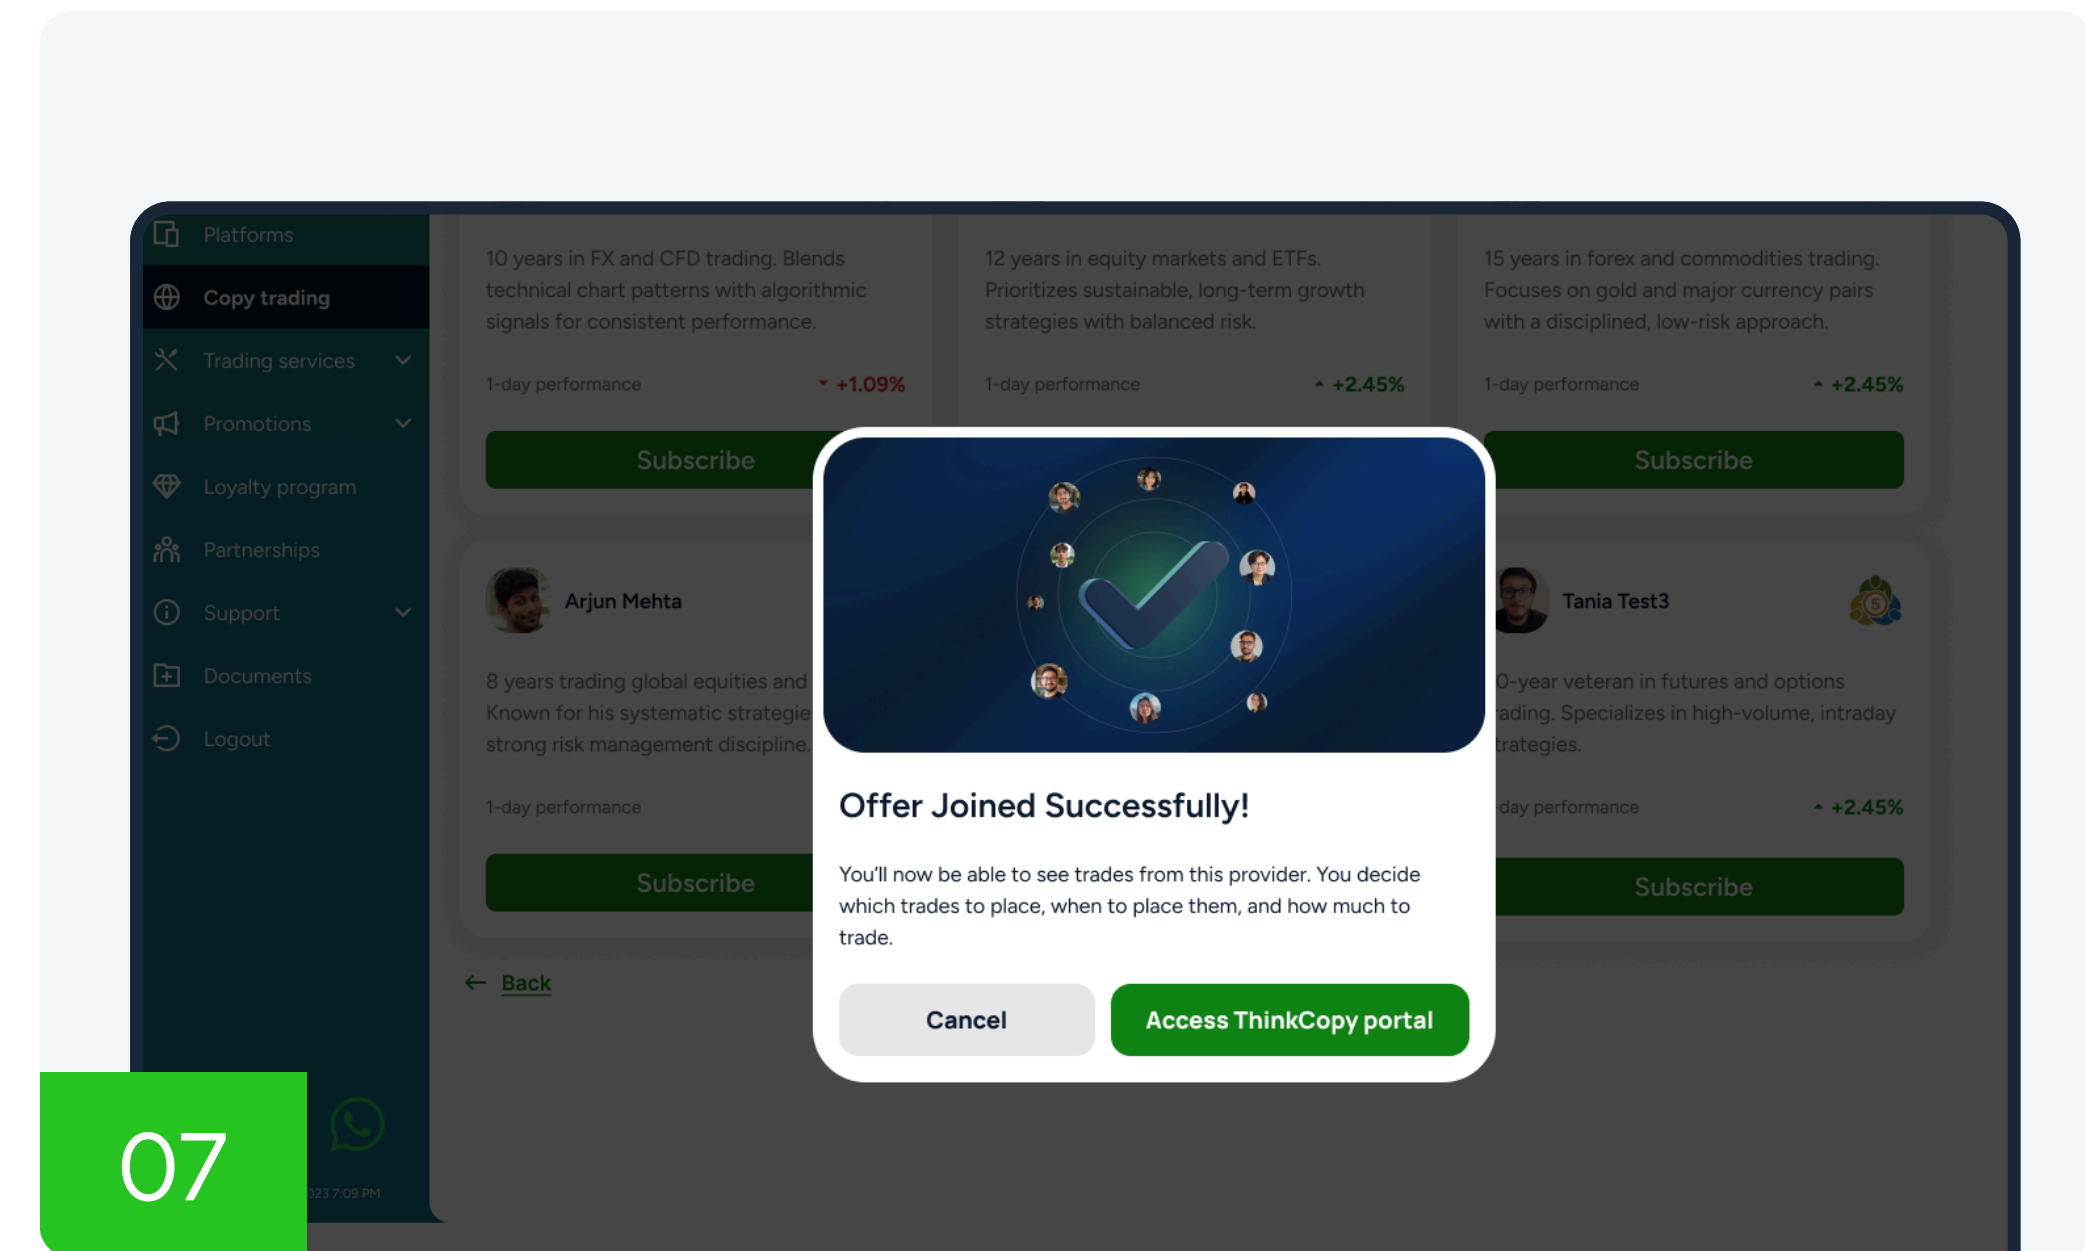

05

You will be redirected to choose your provider. Press "Subscribe" to view each provider's offer subscription and details.

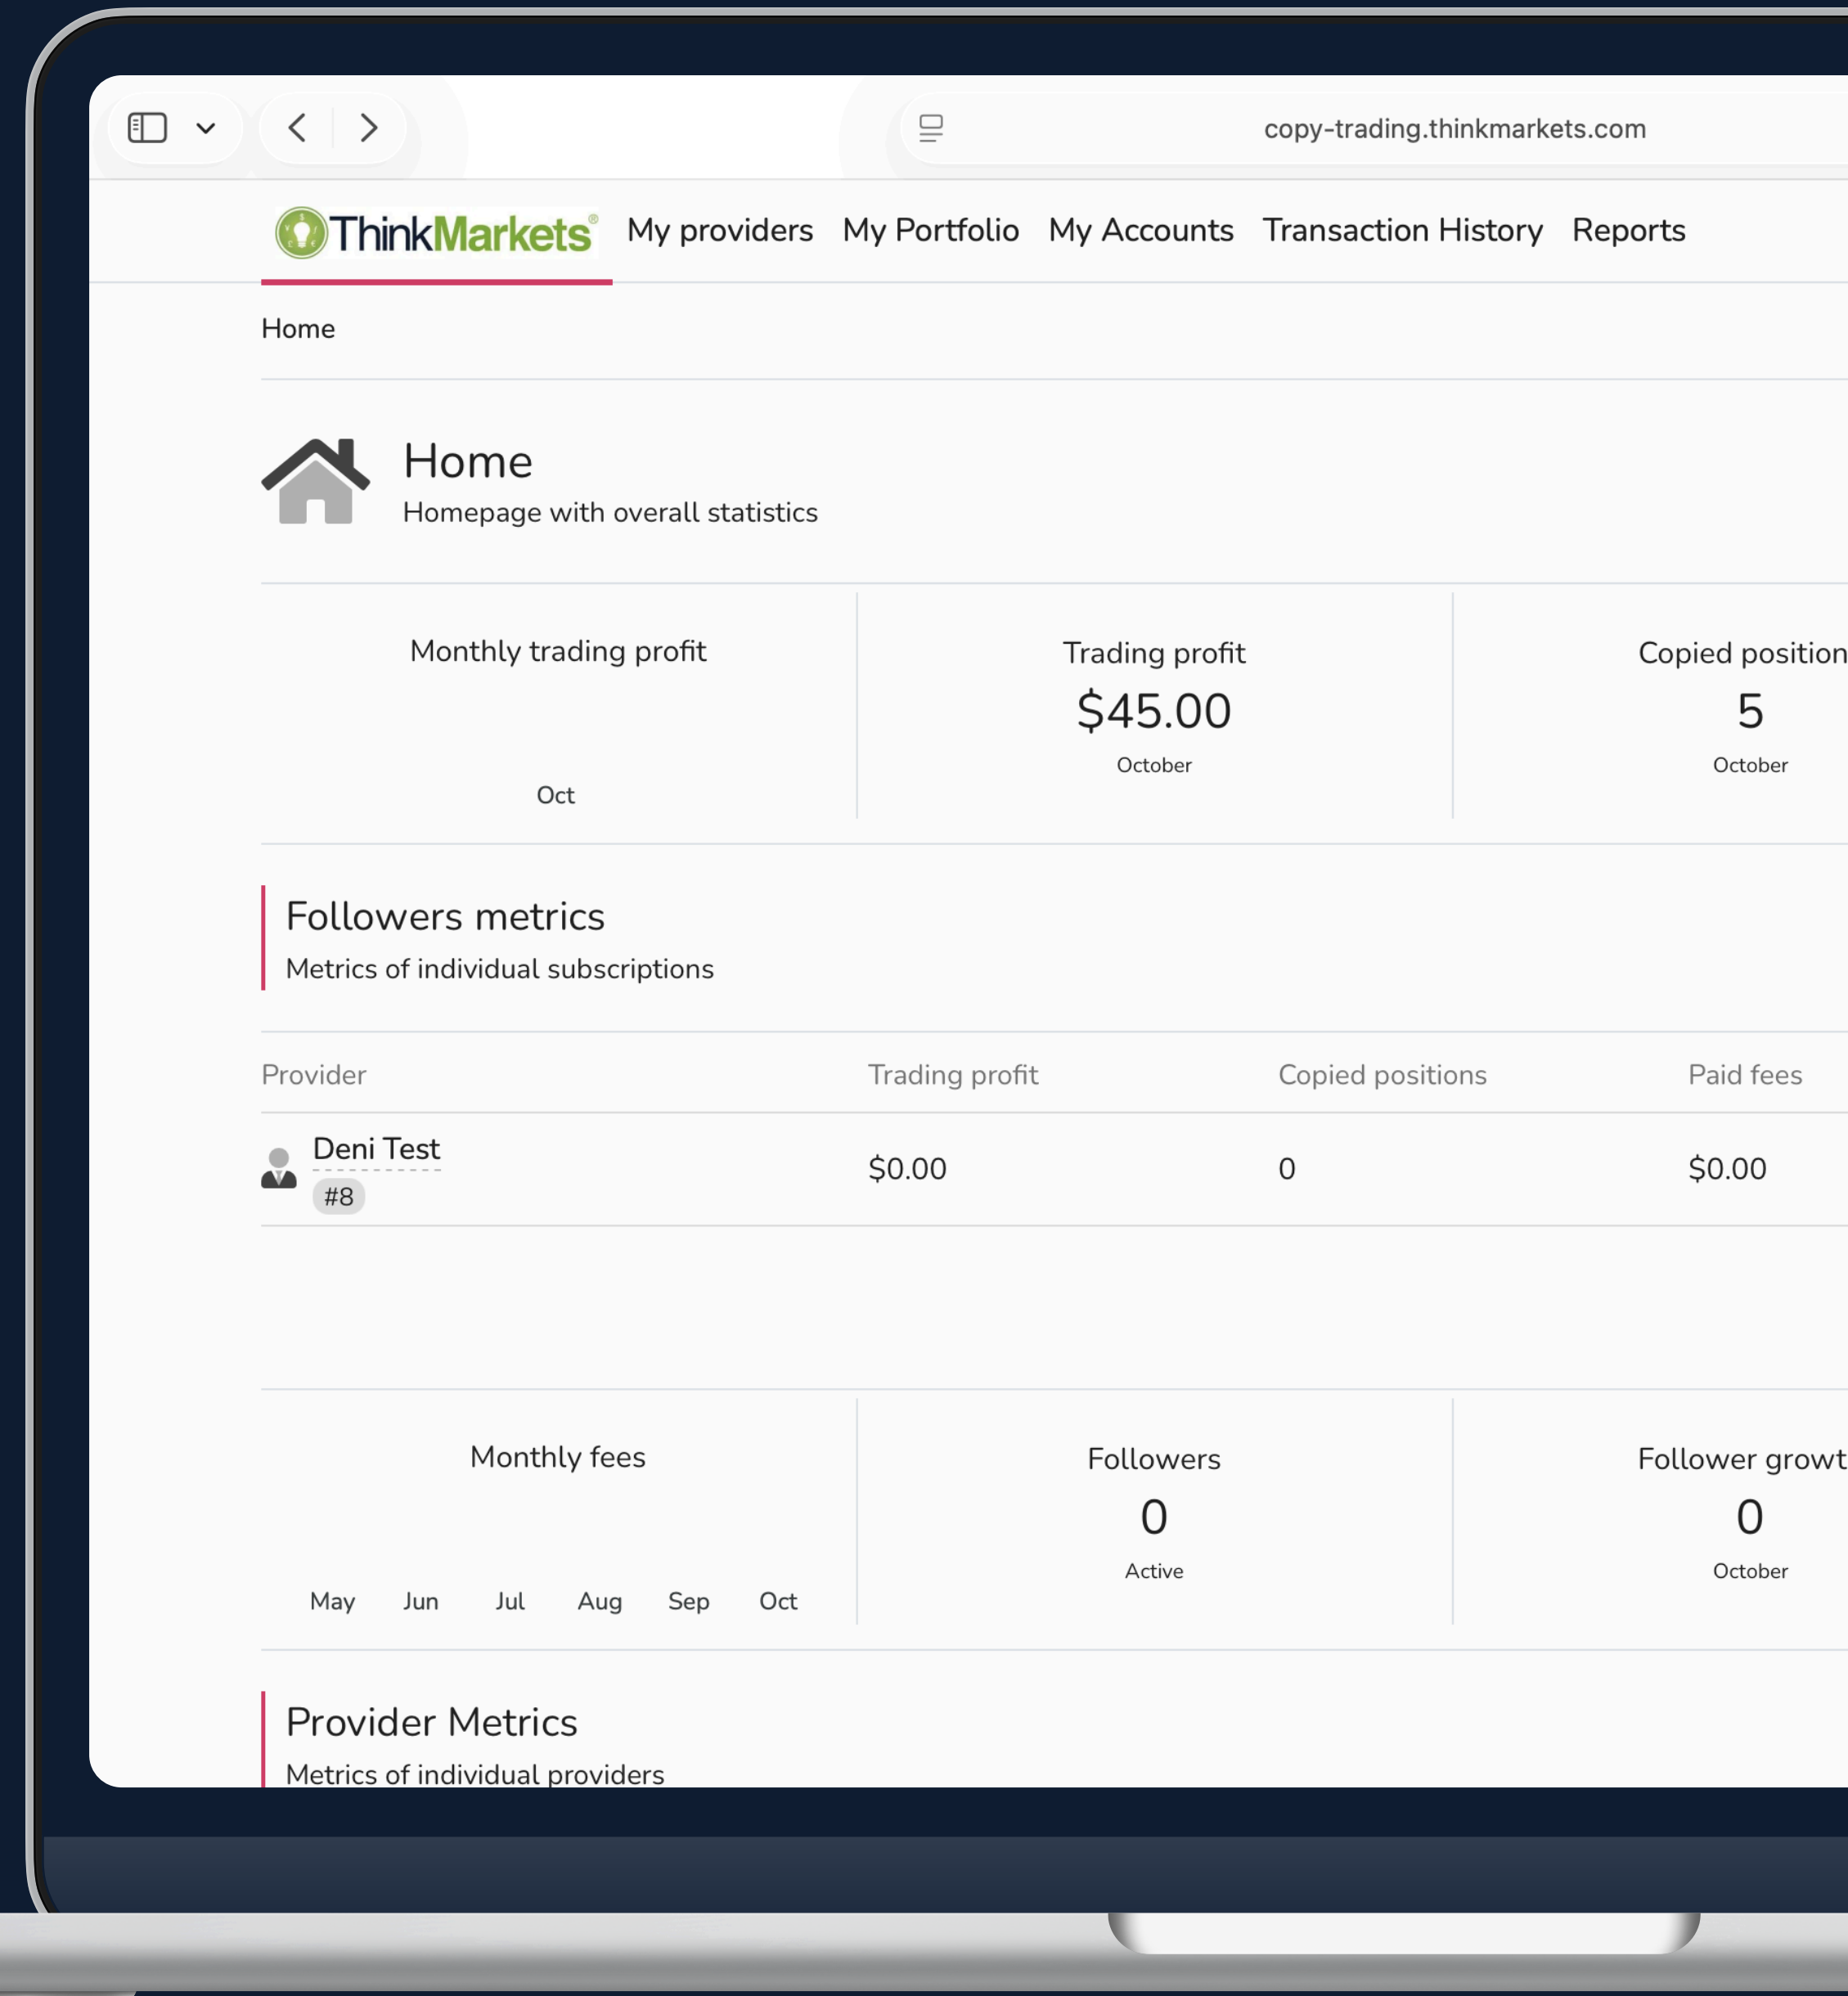

Once you have picked the right provider for you, click "Subscribe now"

After subscribing, click 'Access ThinkCopy Portal' to manage your account.

- Ending your subscription

How to copy a Signal Provider

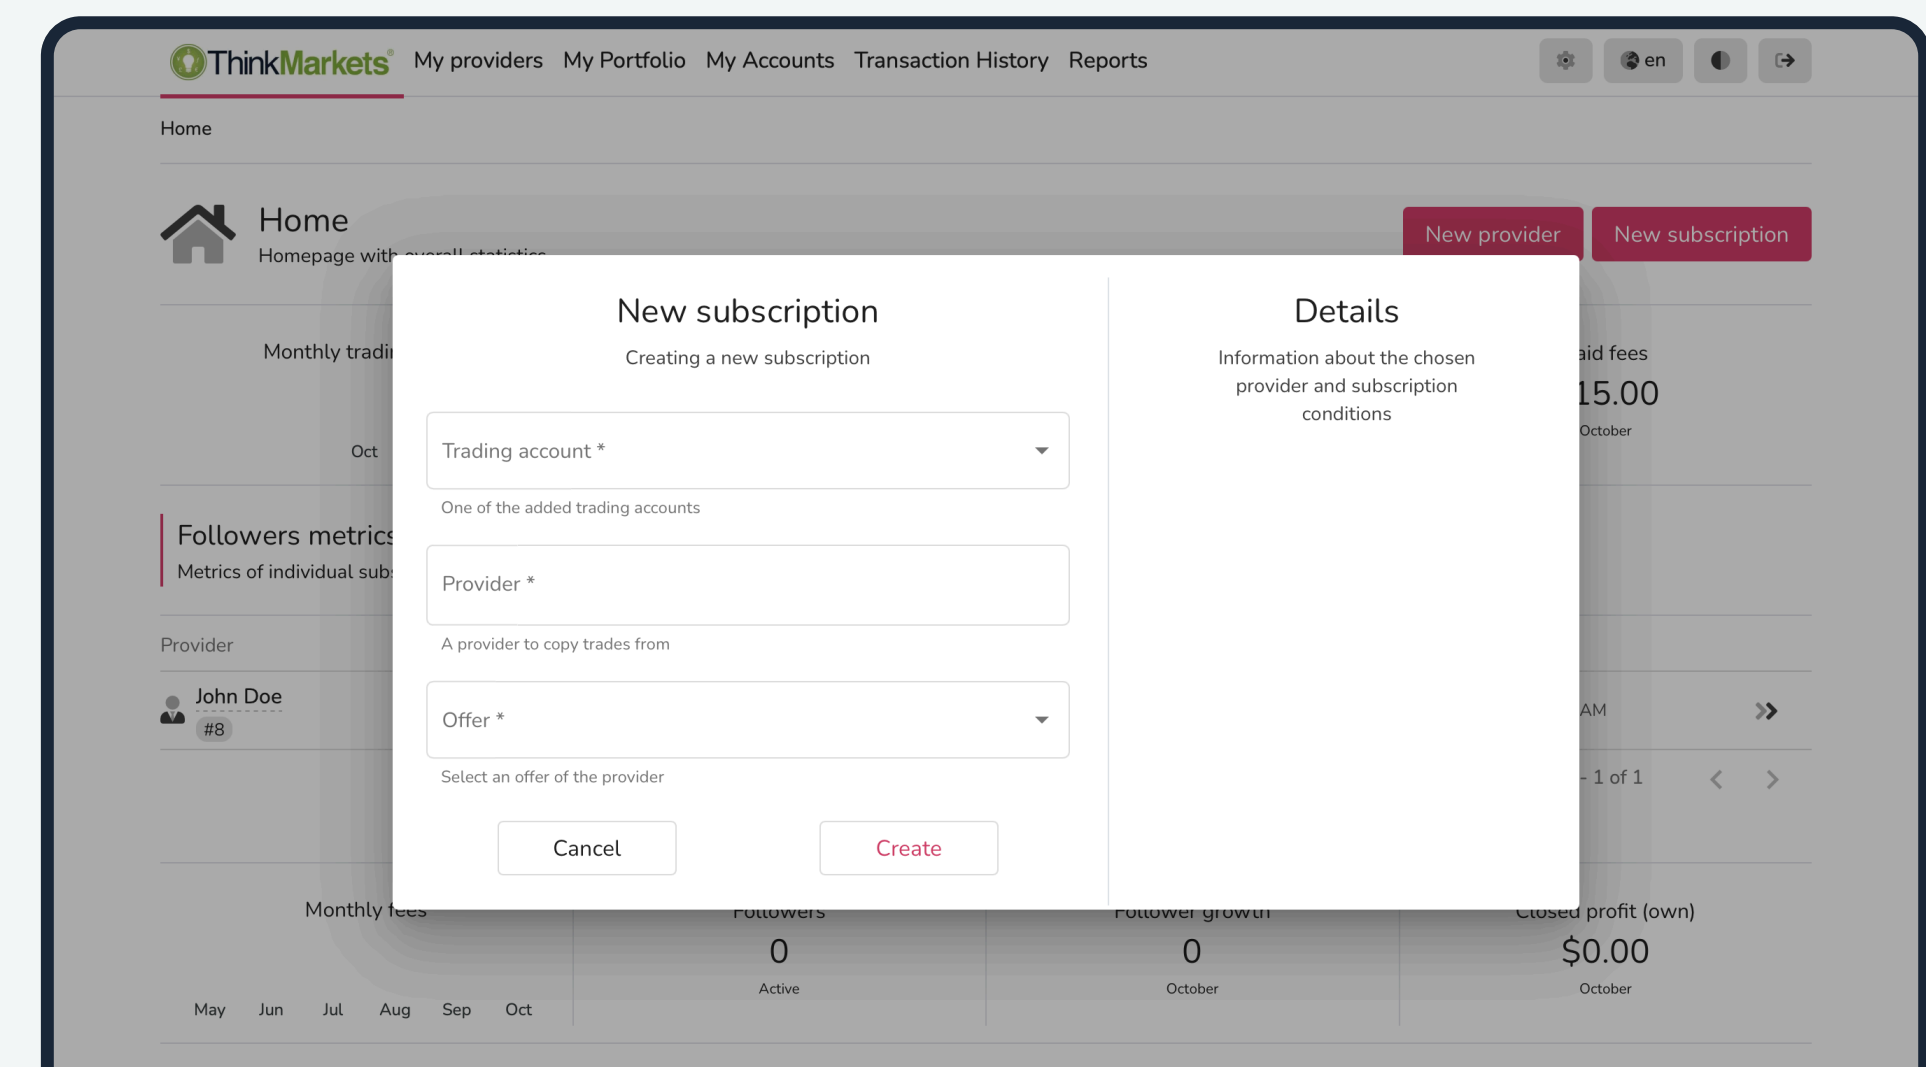

Option 1

- Visit the client portal here.
- Enter your ThinkCopy login details.
- Once inside the dashboard, click 'New Subscription'.
- Select your trading account, then choose the signal provider you wish to copy along with the offer.
- Then click 'Create'.

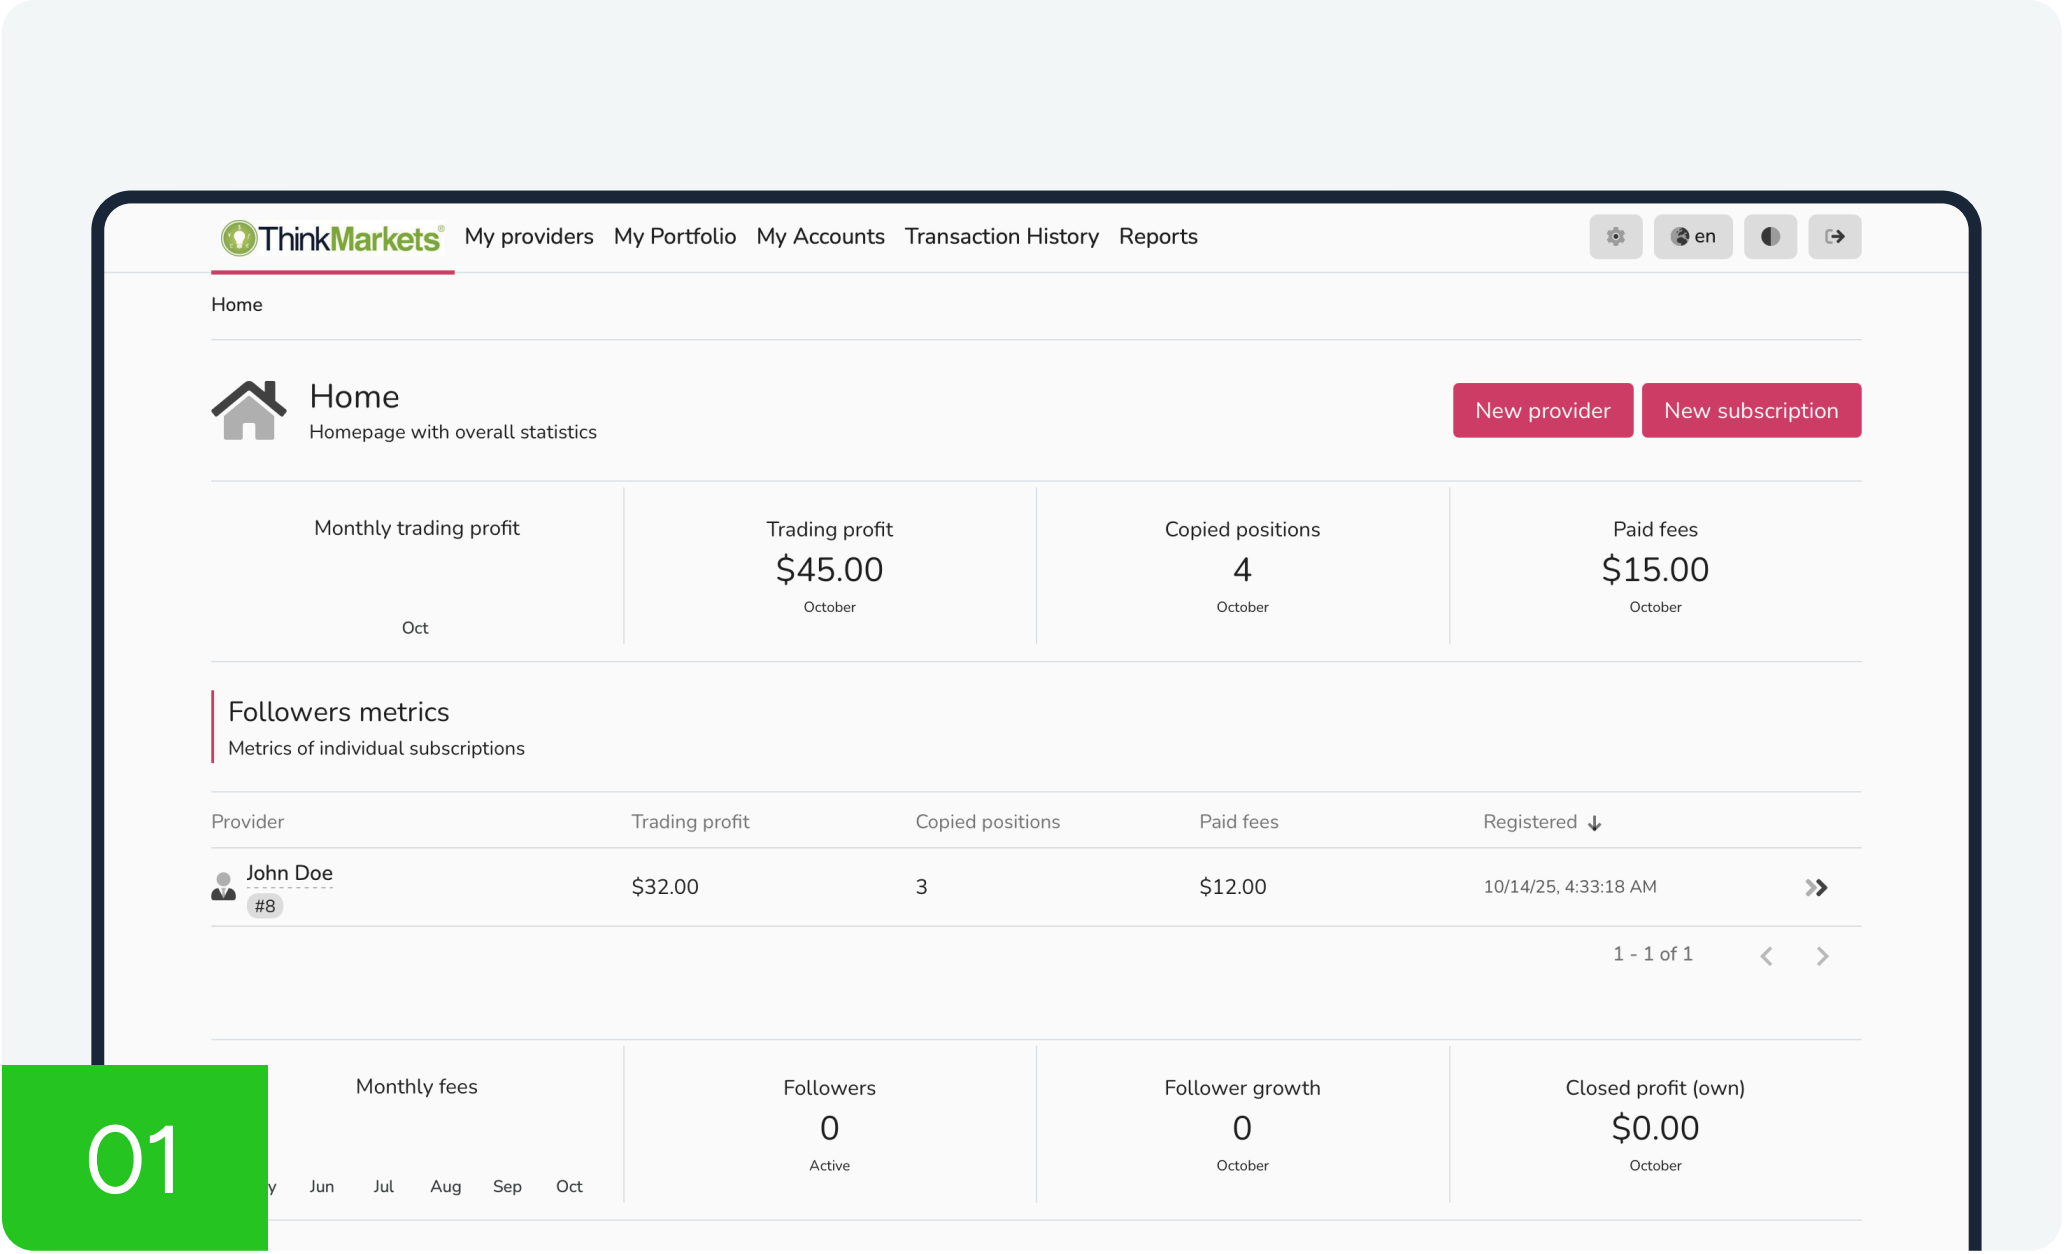

Option 2

- Go to the ThinkCopy page.
- Navigate to the leaderboard.
- Choose the Signal Provider you wish to copy and click 'Invest'.
- You will be redirected to the client portal. Then, sign up or log in and confirm your subscription to the chosen provider.

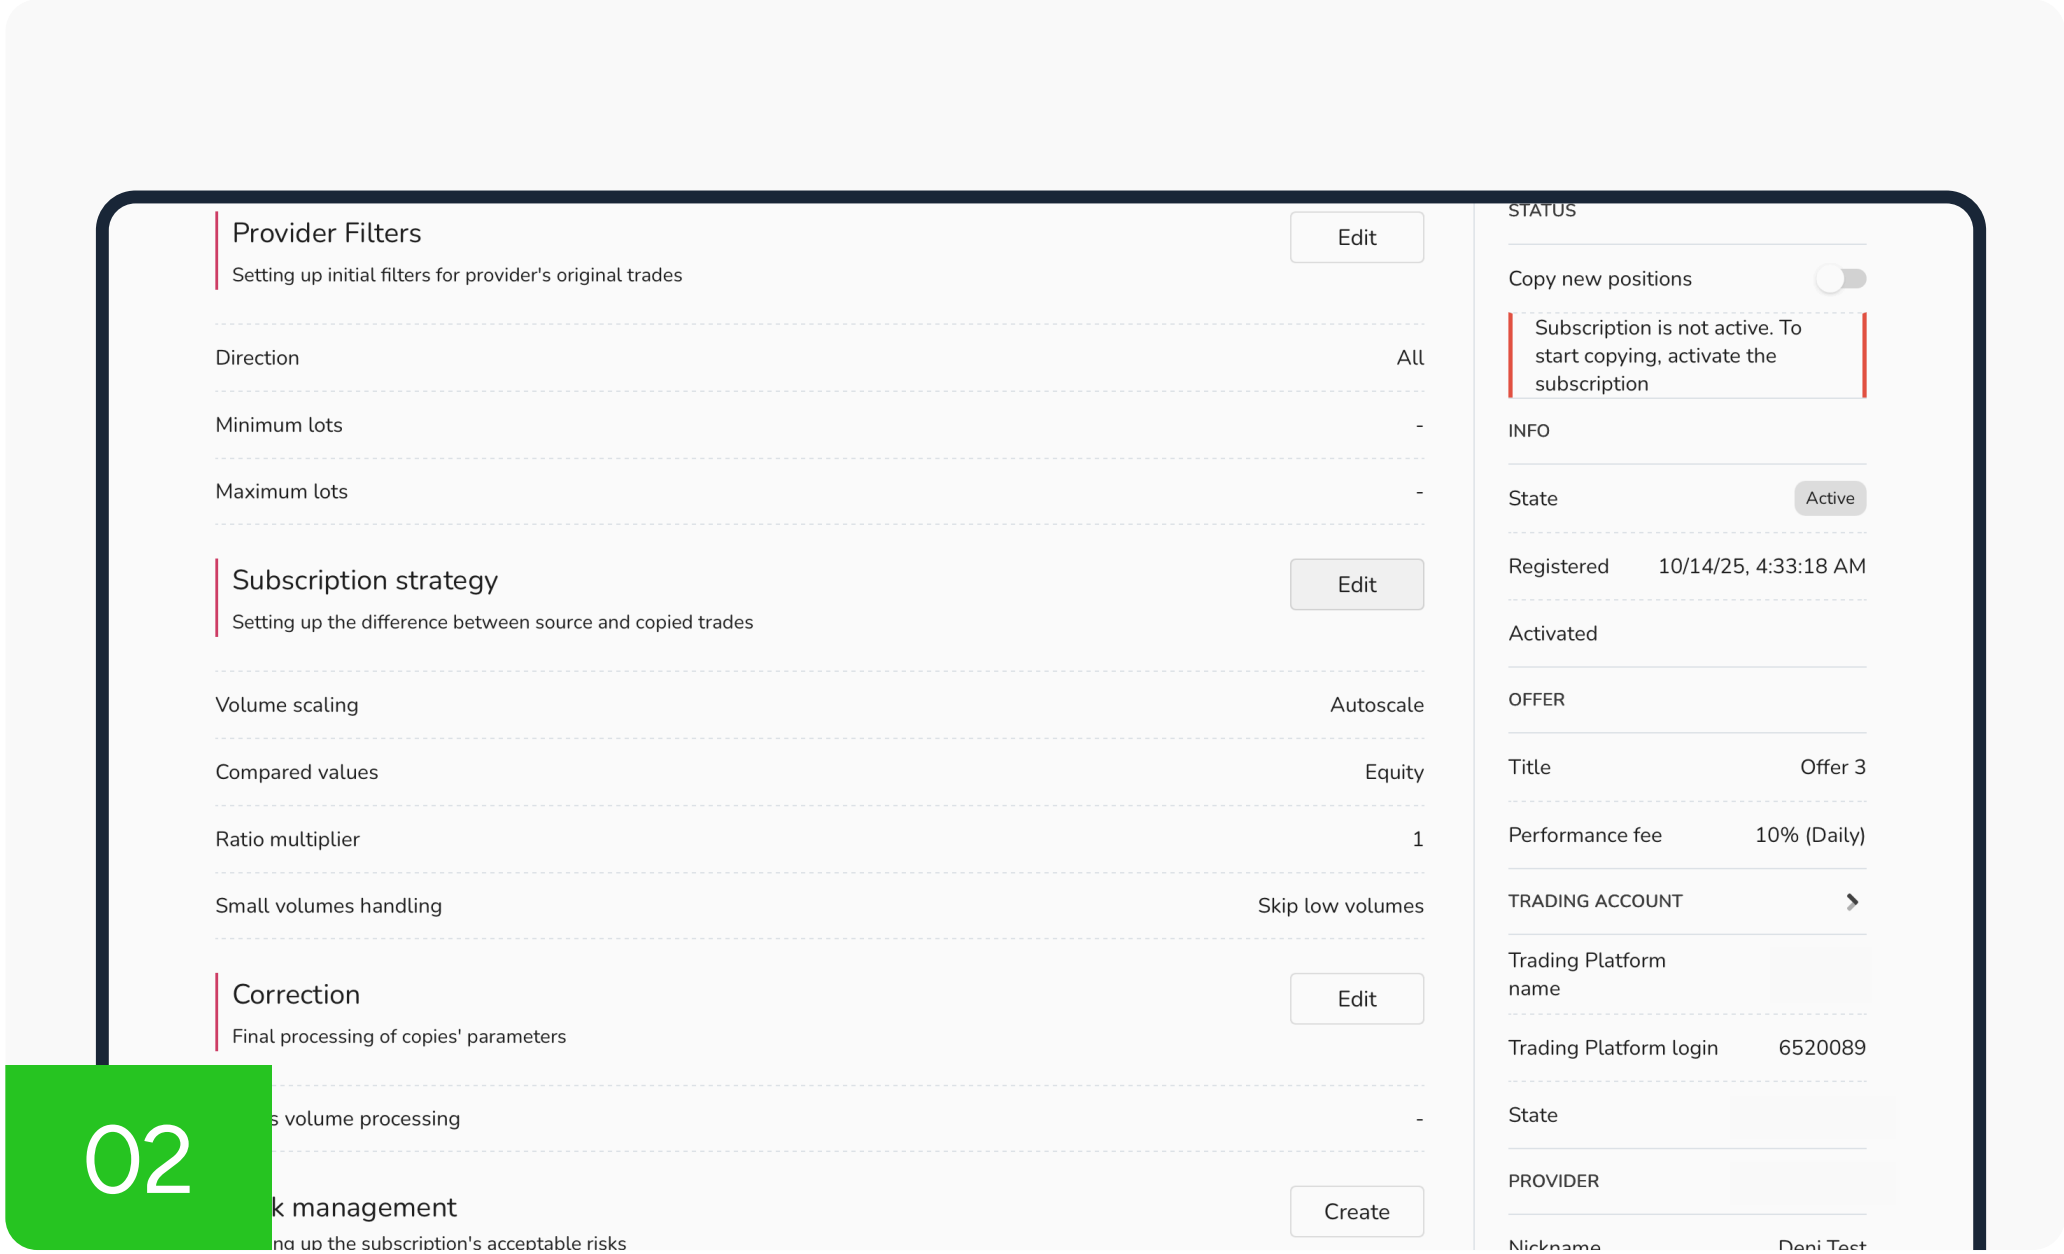

The screenshot displays the ThinkMarkets client portal interface. A modal window titled "New subscription" is open, showing the "Creating a new subscription" form. The form includes three dropdown menus: "Trading account *" (with a note "One of the added trading accounts"), "Provider *" (with a note "A provider to copy trades from"), and "Offer *" (with a note "Select an offer of the provider"). Below the dropdowns are "Cancel" and "Create" buttons. To the right of the form is a "Details" panel titled "Information about the chosen provider and subscription conditions". The background shows the portal's navigation bar with links like "My providers", "My Portfolio", and "My Accounts", and a sidebar with "Home" and "Followers metrics".

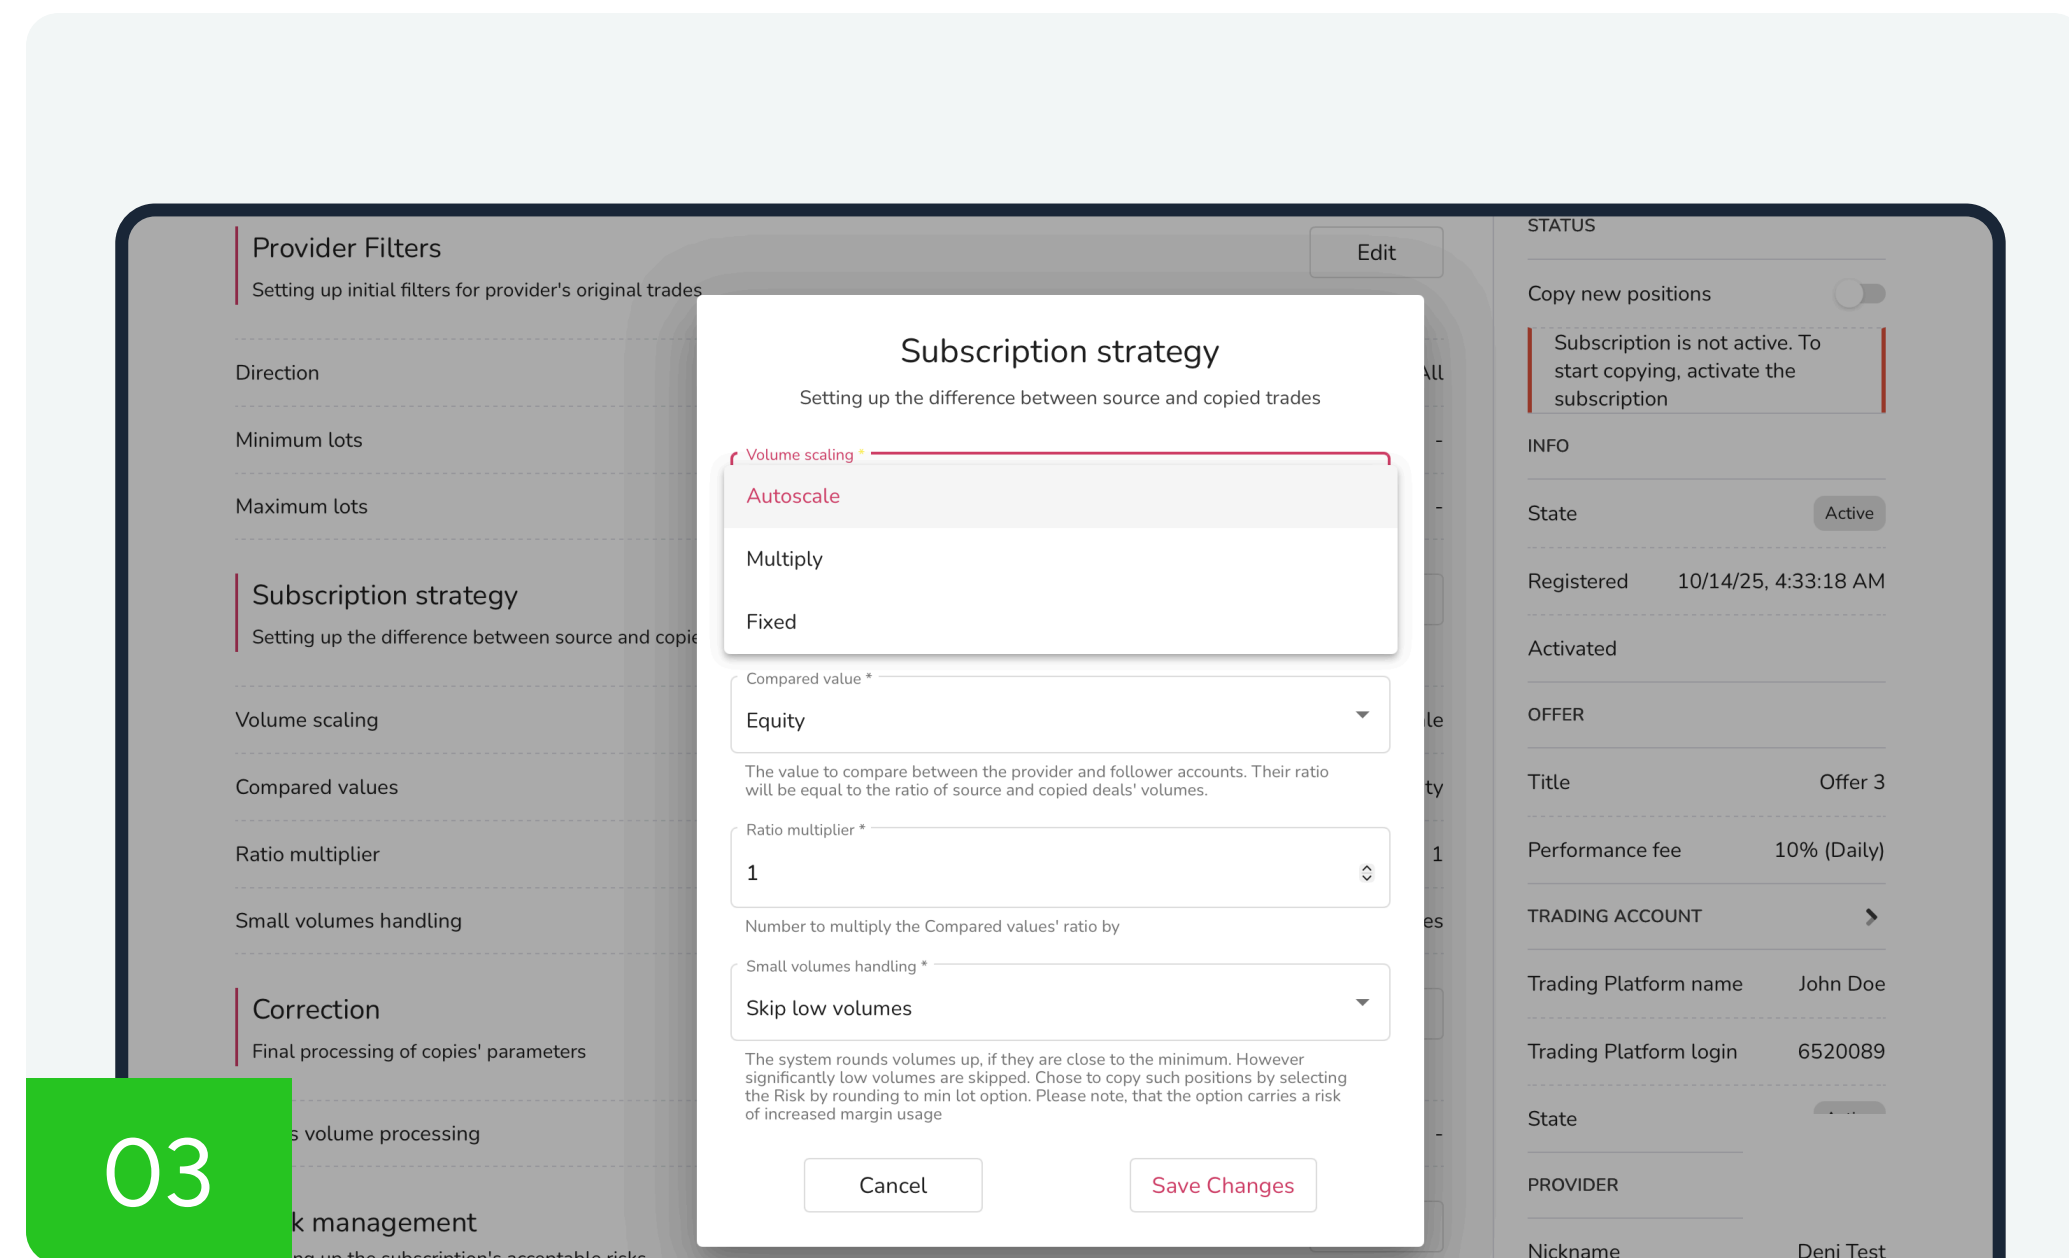

Managing your subscription

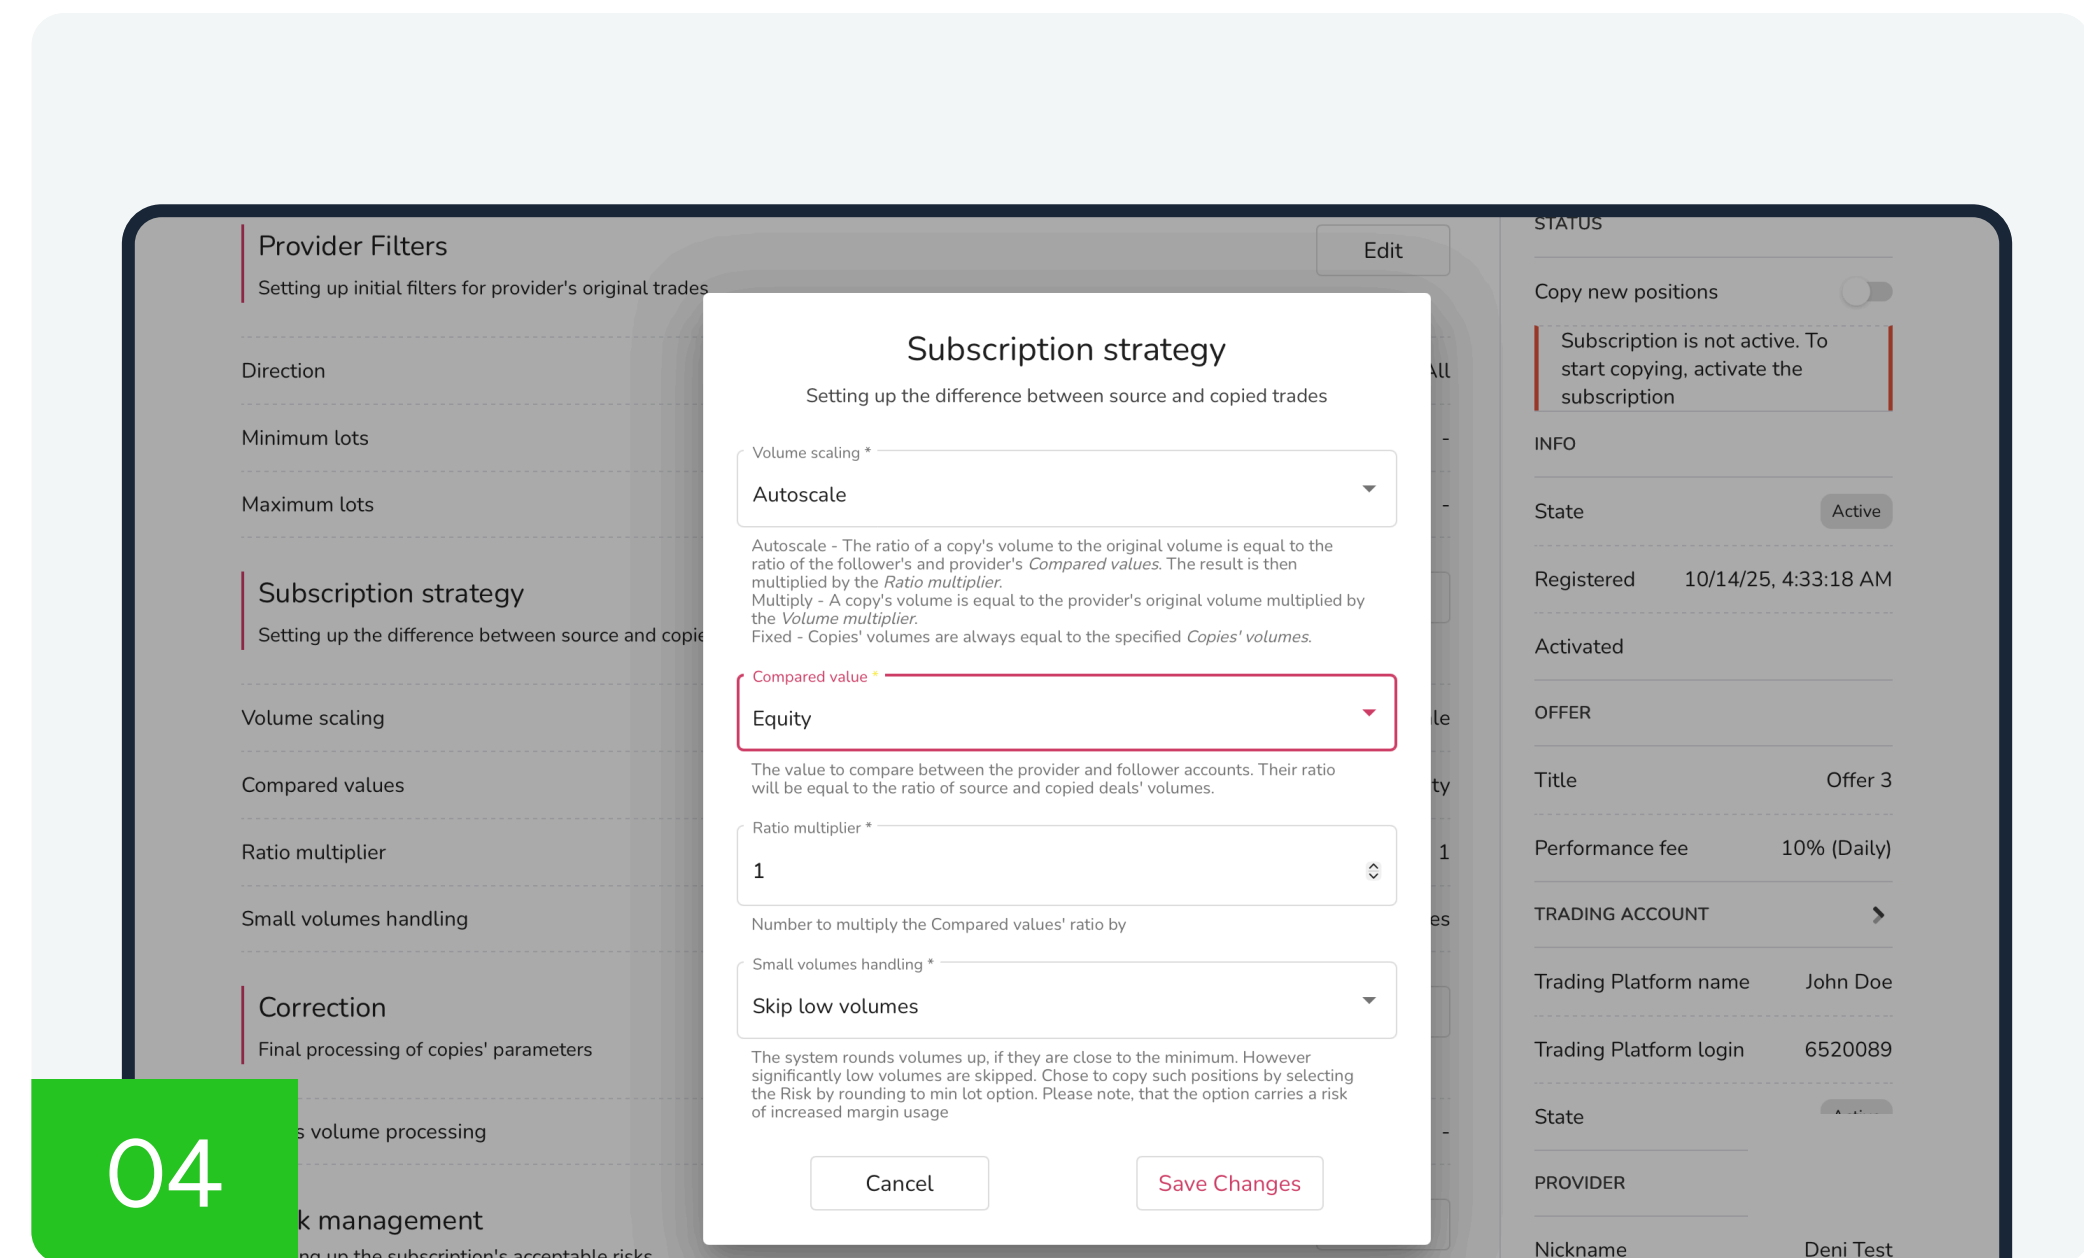

In the Home section of the client portal, click on the provider subscription you wish to manage.

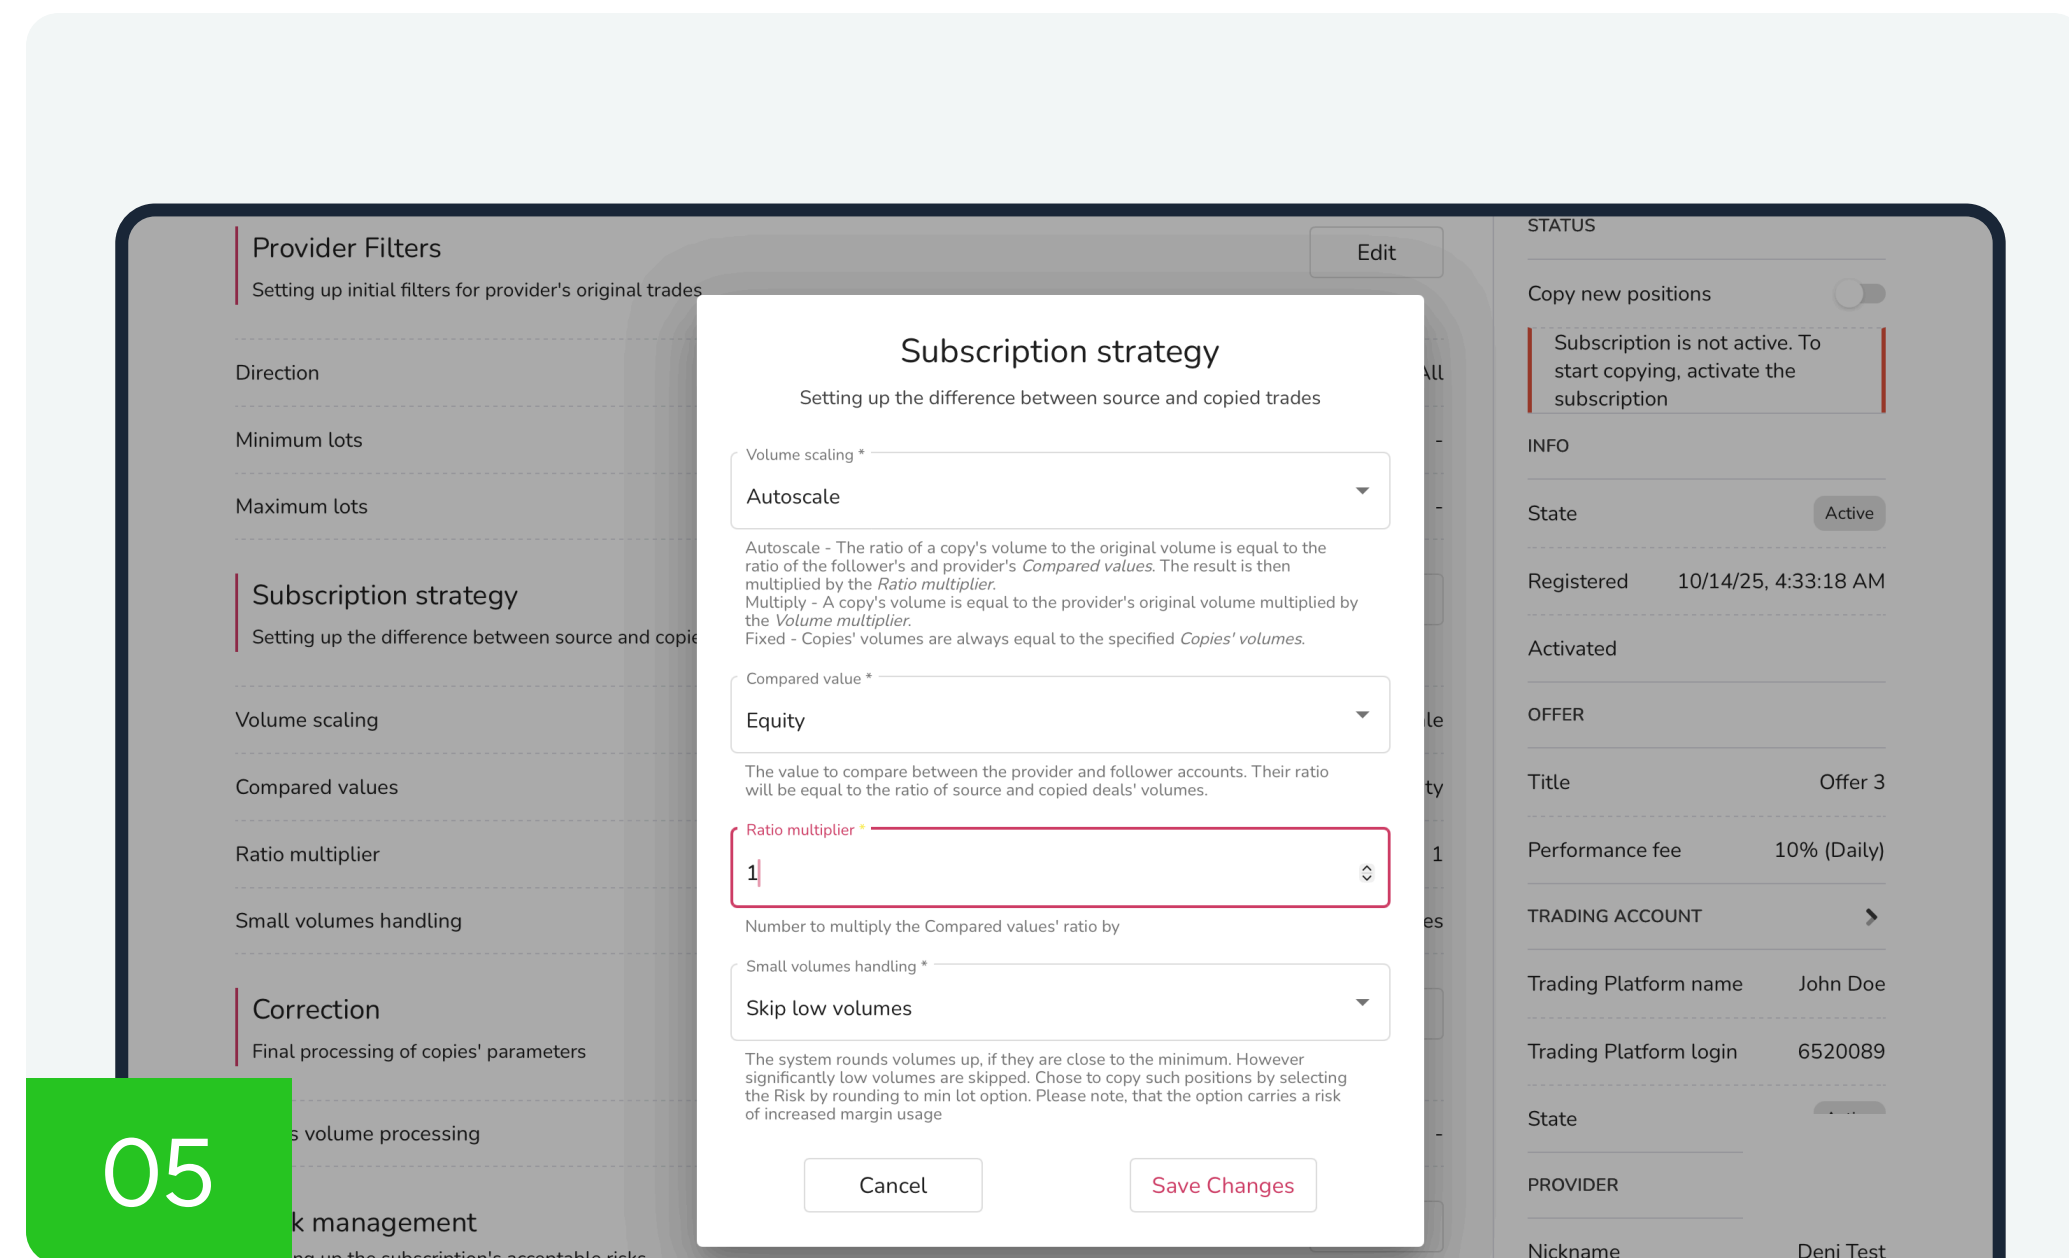

Once selected, navigate to Subscription Strategy and click 'Edit'.

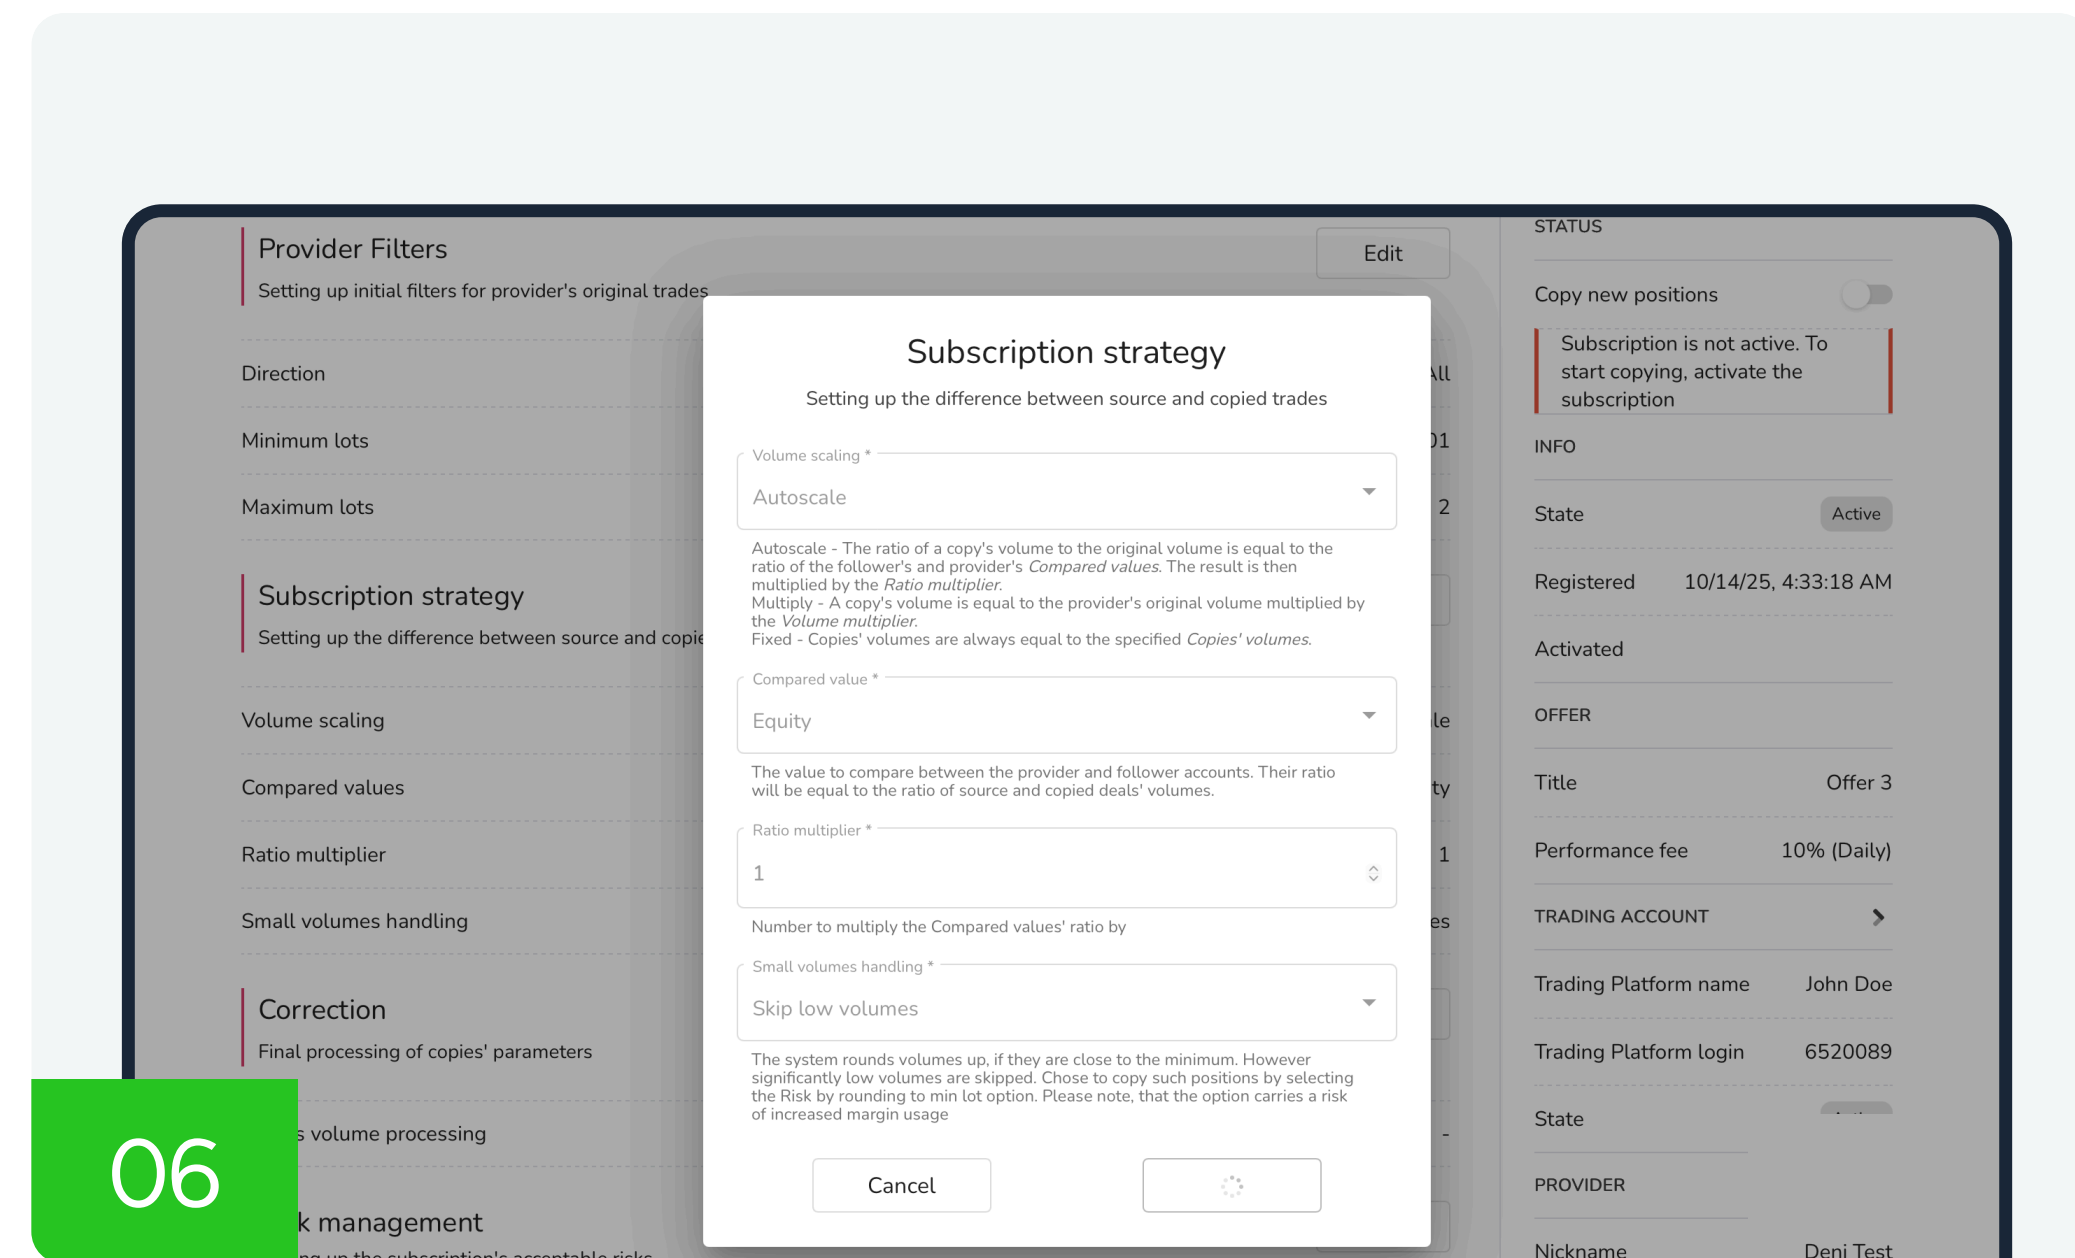

Click 'Volume scaling' to choose between 'Autoscale', 'Multiply', or 'Fixed'.

Under 'Compared value', select 'Equity'

Under 'Ratio multiplier', input your desired number.

Then, click 'Save Changes'.
